Virginia Commission on Youth

Mandate

The Commission on Youth approved the following recommendation at its November 2005 meeting:

- The Commission on Youth, in conjunction with the Virginia Department of Mental Health, Mental Retardation, and Substance Abuse Services, will convene a statewide conference with the express purpose of identifying and communicating to behavioral health care professionals evidence-based practices for children and adolescents with mental health disorders. To plan for this conference, the Commission shall organize a Conference Planning Committee comprised of representatives from all of the Commonwealth's child-serving agencies. An update on the progress of the conference plan shall be reported to the Commission on Youth prior to the 2007 General Assembly Session.
